- Physical maintenance
- Social & interpersonal skills

## Work Therapy Programme

We provide PWDs with a range of activities that contributes to lifelong learning, skills development and opportunities for building social relationships.

- Community living skills training
- Physical maintenance
- Social & interpersonal skills
- Vocational & soft skills training

## Sheltered Workshop Programme

We provide a conducive on-the-job training environment specifically designed to develop work and social skills of PWDs and prepare them for gradual transition into employment.

- Work opportunities in social enterprises
- Vocational training plans (tailored to individual needs)
- On-the-job training
- Salary package that includes CPF

## Train-and-Place Programmes & Employment Support Services

Bizlink Centre aims to facilitate the employment of persons with disabilities with pre-employment training and in-employment job support.

Supported by Job Coaches, Allied Health and Community Outreach Professionals, persons with disabilities can now look forward to a comprehensive suite of employment-related services, such as:

- Vocational assessment
- Training
- Job-matching
- Post-placement job support

For more information on our Train-and-Place Programmes, you can visit our website.

## E-commerce Fulfilment Training Centre

In collaboration with industry partners and Institute of Higher Learning, Bizlink Centre anchors a training centre for persons with disabilities focusing on vocational training for job roles in Logistics and e-Commerce Fulfilment Sector.

The simulated warehouse and E-commerce fulfilment training environment provides hands-on practice which complements the training curriculum designed for persons with disabilities. The centre showcases inclusive practices to employers and encourage them to implement these practices at their own workplaces.

For any enquiries for the programme above, please email: [EBH\\_Jurong@bizlink.org.sg](mailto:EBH_Jurong@bizlink.org.sg)

## Community Engagement

We organise and host community engagement events and activities, such as learning journeys, experiential visits, seminars for our beneficiaries. This provides them the opportunity to gain new experiences together with volunteers and community partners.

We also organise fundraising events to raise funds to support our beneficiaries in their training needs.

Contact us at [event@bizlink.org.sg](mailto:event@bizlink.org.sg) if you're interested in collaborating and volunteering.
